In Britain, for News-letters:

Gjirokastrë/Brummen, January 2018.

Dear co-workers,
thank you so very, very much for your prayers and being in this way such an
enormous help!

What happened since the last news-letter:

When I visited Gjirokastrë, in October, **Lesiona**, who had
been with us, since she was a baby, in 1999 and was adopted
end of 2007, came for a visit.

At that time a little girl – now a
beautiful young lady. **Lesiona**
and
Angela

who both were with us.

Several children, who have been in
the children's home and are now teenagers,
found each other again, via Facebook and Whatsapp and so keep in
contact with each other – and us.

Rakela – Klara – Marijan – Lesiona – Vali – Diny – Angela – Vana – Koos

It was nice to take the children out.

Typical Gjirokastrë
streets.....

Please, keep on praying for **Irvana** (a family) and **Izabela** (deaf?)

There were **birthdays**: in November from **Sam** (left)

and in December: **Izabela** and **Migeli**

Beginning of December there was the board-meeting. Our Albanian brothers & sisters carry on the work.

Please, keep on praying for them, Jorida and the staff.

The twins are learning every day a little more:

the smallest one, **Xhediola**, is just enjoying life!

Regularly visitors are coming. Classes from the High School, or other groups, with presents for the children...

Decorating with **Dori**....

...and baking with **Roza** (she helps out, when the cook isn't there)

We wish you **A VERY BLESSED 2018** that 2018 may be more blessed than any year before – it surely brings us closer to the coming of the Lord Jesus.

Many greetings in His precious name,

Marijan.
