Dear brothers & sisters,

we want to thank you very, very much for your prayers!
There were this year already many birthdays – which we think are very important to celebrate, so the children know that the Lord wanted them to be there and we are so grateful that they have been born.

The first birthday was from
the twins **Jetmir en Sijoni**
Already 2 years old!

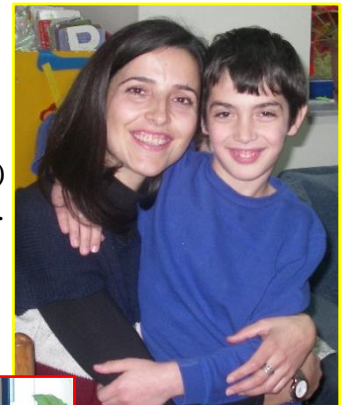

Here with
Jorida

Elena,
Here with her brother
Vilson,
became 8.

Ramadan
(with Alda)
celebrated his 9th birthday.

Also in February there were birthdays:

from **Vilson**

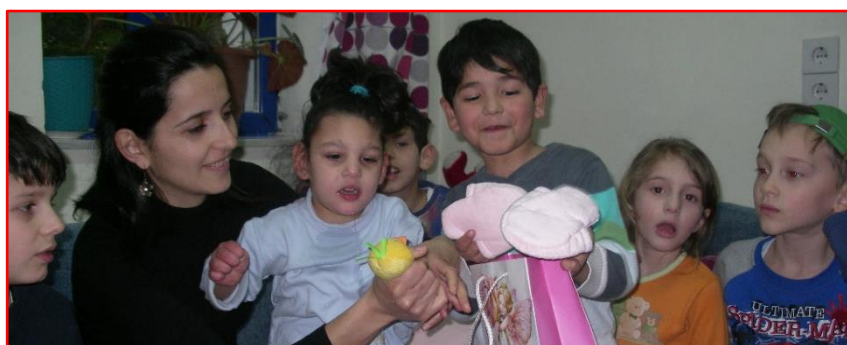

and

Ini
(here with Dorina)

And at the end of February **Irvana** (with Alda) celebrated her birthday.

Besides the celebrations, they **played** together,

and
with
Vana

and
Mira

and with Vali

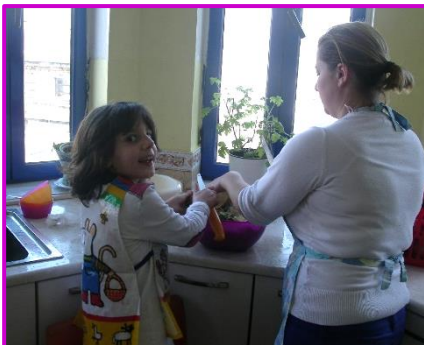

**Singing
With
Nikoleta**

walking
through
the city.....

Little ones grow up so quickly!
Here the youngest:
Xhediola.

**Helping
in the kitchen
and
folding
the laundry...**

In the first week of every month, Jorida sends me **all** the pictures that have been made, the month before and every time again, I am touched, to see how happy the children are, and to see the love and care from the co-workers, which is so obvious!

And in between the ladies keep me
“up-dated” with WhatsApp, photos and films..
(Nikoleta)

What a privilege that we, all together, may be a part in this beautiful work of the Lord! May the Father bless you!

Many greetings from all,

Marijan.
